## **Introduction**

Our organization is one of the trusted names, engaged in supply of quality range of Coal & Coke. We are among some of the best coal

suppliers who are well known for quality and ensure timely delivery. Superior quality coal offered by us is delivered to our clients mainly to northern region of India. We ensure that the coal sourced by us has high carbon content and accomplishes efficient heating in various industrial applications. Our products include all kind of coal and coke. These products find wide

application in various fields like steel plants, cement industry, non-ferrous industry, heavy machinery, engineering industry and brick manufacturing industries and others.

## **Quality Assurance**

By delivering flawless products, we have earned the trust of our clients. And it is this trust that inspires us to achieve newer heights of success every year. A few factors that help us outpace competition and attain a healthy customer satisfaction rate are :-

- ❖ Competitive pricing policy
- ❖ Timely delivery of consignments
- ❖ Strong and reputed vendor base
- ❖ Expanded networking web.
- ❖ Ethical business approaches

## **Our Distribution Network:**

We spread over almost every corner of the Northern and the Eastern region of India. We are **Headquartered in Delhi**, but

Our Network is in the several regions below

- ★ Guwahati ( Assam )
- ★ Varanasi ( U.P )
- ★ Raniganj (West Bengal)
